

2017-18 New Traffic Plan for Traylor Academy:

DPS has helped us develop a new traffic safety plan for students and families regarding the delivery and dismissal of students at Traylor Academy. Please pay special attention to the new plan, as things have changed from previous years, and we will be implementing this the first day of school! *(Any changes will be communicated to parents by the Roar Report and classroom teachers.)*

GRADE	ENTRANCE	EXIT	PARKING
ECE	Parents enter through the South Doors (must sign in)	Through the South Doors (must sign out)	W. Columbia St – both sides—between corner of Ivan Way and Harlan St. Driving instructions: Left turn only to S. Ivan Way, or east on Columbia Pl.

	and go around South side of the building to playground	they will exit the north doors; Bus: students walk around the building to the bus; Kiss 'n Go: Student will come to you – stay in your car.	in your car. Driving instructions: Left on Harlan St. or S. Ivan Way. Parent pick up: meet your student on the playground. Driving instructions: west or east on W. Bates Ave, or north on S. Ivan Way.
--	--	---	---

- The area in front of the school will not be accessible by parents during arrival and dismissal.
- Parents will not drive through, stop in the street, and let their child into the car. This is a dangerous situation; you must pull over to the curb to pick your child up.
- Students and families should use the corner crosswalks at all times.
- Extra supervision will be provided by staff members; DO NOT take out your frustrations on the staff. They are helping to keep all students safe.
- We will be recruiting parent volunteers to provide safe crossing in the crosswalks. Consider helping us out!
- We will be tweaking this as needed; please be patient.
- **KISS 'N GO:** (South side only) Parents park along the curb but DO NOT LEAVE THEIR CAR! This is to keep the flow of traffic running smoothly. Students will come to you – you do not go to them. Please note the driving directions when leaving.
- **PARK 'N PICK UP:** (North side only) Parents park along the curb and then walk to the school to meet their child. Please note the areas for parking and the driving directions when leaving.
